Mokena Lions Install Staff for Coming Year--Walter Spiewak Takes Over as New President

The Mokena Lions club has installed its staff of officers for the coming year. The ceremony took place last Thursday night at a dinner meeting held at the Lincolnwood Drive-In. Attorney Ray Hoolehan, a past president of the club, was installing officers.

The new president of the organization is Walter Spiewak, a dental technician with a laboratory in Chicago. He succeeds Ray Westlund of The Semmler Newspapers.

Other officers installed were: Fred Lehmann, first vice president; George H. Bills, second vice president; Roy Richardson, third vice president; Kenneth Corniels, secretary; H. J. Wrath, treasurer; Charles Kelch and Alvin Sorensen as directors; John Hubler, Tail Twister and Glenn Miers, Lion Tamer.

Arthur Omland and George Rike are hold over members of the board of directors.

Before handing the gavel over to his successor, Mr. Westlund spoke briefly, devoting most of his talk to expressing appreciation for the cooperation and support given him by the membership and the various committees in charge of the various activities of the club.

Westlund also presented a pin to the club's newest member, Albert Bilotti.

One of the major community projects accomplished by the club in the past year was the construction and maintenance of an ice rink at Mokena Memorial park.

Scores of persons, adults as well as youngsters, enjoyed several weeks of skating last winter. The Lions constructed dikes around an area and then kept it filled.

At the meeting last Thursday night the Lions saw a demonstration of a machine used to determine whether a person is in need of eyeglasses. The Mokena club may purchase it but before any action is taken club representatives will confer with the Mokena school board and the county health department.

The biggest use of such a machine, of course, would be to test the eyes of youngsters. If the machine indicated their eyes were in need of attention, the parents would be notified.

Tomorrow is 'Doughnut Day'

Little brown doughnuts—the paper variety—will be familiar items tomorrow, June 15, as Chicago and the surrounding suburban communities observe "Doughnut Day," the Salvation Army's annual tag day.

Form 7 a.m. until 4 p.m., approximately 12,000 volunteers will man their appointed posts and exchange the little doughnut-shaped tags for contributions dropped in their collection boxes. Goal of this year's campaign is \$135,000.

The funds given to the Salvation Army are used to support partially the program of widespread social services and emergency aid to persons in need. Last year, the Salvation Army helped more than 100,000 persons in the Greater Chicago area without reference to color or religion.

The help takes many forms: emergency shelter and food for persons temporarily destitute, a hospital for unwed mothers and their babies, relief and rehabilitation for men on Skid Row, a free summer vacation camp for children, mothers and golden agers, a homemaker service, a hospital for patients with long-term illnesses, family casework, a missing persons bureau, emergency canteen service at major fires and disasters, and many other services.

In all communities outside of Cook county, 20 per cent of the funds raised in the local Doughnut Day drives will remain with the community residents serving as local treasurers for the Salvation Army. These funds will be available for emergencies or disasters in the communities, and to finance unduplicated programs of health care or other service.

VACATION BIBLE SCHOOL
The Baptist church in Tinley Park will conduct a daily vacation Bible school from June 18 thru the 30th. Sessions will start at 9 a.m. and continue to noon. Children from ages 3 to 15 are cordially invited to attend. The Bible school will be held in the American Legion hall.

Henry Cabot Lodge To Address Lions at World Convention

Henry Cabot Lodge Jr., permanent United States representative to the United Nations and representative on the Security Council of the U.N., will address the delegates to the 39th annual convention of Lions International in Miami, Florida this month.

Mr. Lodge will speak to more than 30,000 delegates, representing 12,334 Lions Clubs throughout the world on Friday, June 29 in Miami's Dinner Key Auditorium.

T. Arthur Shoop Dies Suddenly; Rites Tomorrow

The many friends of T. Arthur Shoop were grieved Saturday when they learned of his sudden death in his home in Mokena late that afternoon. He had been doing some work in his garden and when he met his wife at the train, complained of feeling ill. They at once drove to the office of Dr. E. G. McMahon and then home where he laid down on the couch. A few minutes later he was dead.

Mr. Shoop was born Jan. 26, 1904 in Maple Park, the son of Mr. and Mrs. Glenn Shoop. He moved with his family to Aurora where he entered seventh grade and completed high school there. He attended the Northern Illinois State Teachers college at DeKalb for two years, transferring to the University of Chicago from where he was graduated from the school of commerce. At the completion of his studies he entered the employ of Swift and Co. working in the general offices in the industrial relations department, continuing there until his death.

On June 7, 1930 he was married to Vivienne Moore of Ashton. They lived in Chicago for a year before moving to Mokena in 1931.

Mr. Shoop took an active part in all civic affairs of the village and for many years was a teacher in the Methodist Sunday school, and was superintendent at the time of his death. During the remodeling of the church, he gave of his time unstintingly with the other men of the church, helping in its construction work.

Beside his wife, Mr. Shoop is survived by two sons, Mr. and Mrs. Steward Shoop of Mokena, Bruce, who is in the U. S. army in Germany, and a daughter Sue Ann and his mother Mrs. Grace Shoop, also of Mokena, and a sister Mrs. Doris Brauer of Aurora.

Removal was to the Sonntag funeral home in Joliet where friends may call this afternoon and evening, June 14. Funeral services will be held Friday at 1 p.m. in the Methodist church at Mokena with the pastor, the Rev. E. Dale Kleinschmidt officiating. Burial will be in Ashton, Ill. Services have been delayed somewhat with the hope Bruce, their son, will arrive home in time from Germany.

Proclaims June Dairy Month

June is Dairy Month all over America and to make it official in Illinois, Gov. William G. Stratton has signed a proclamation urging every citizen of the state to enjoy a "Festival of better living" with dairy foods. Pictured with the governor, left to right, are Milton Geuther, of Mokena, manager of the American Dairy Association of Illinois; Elwood Howell, of McHenry, president of the organization; Stillman Howard, director of the Illinois Department of Agriculture and B. A. Stritzum Champaign, chairman of the June Dairy Month in Illinois.

Boards Say No To Petition for Trailer Court

At a meeting held at New Lenox last Thursday night the Will county zoning board of appeals unanimously turned down a request to establish a trailer court on Route 6 at Parker road. And when the county board met this Monday, the supervisors concurred in the action taken by the zoning body. The petition for the trailer court was filed by Stanley and Anna Warwick. They were represented by Attorney Louis Bertani, who is associated with the law firm of A. H. Krusemark. Bertani said that three men, Frank Zalsky and Donald Borrelli, of Oak Lawn and Joseph Cizzi of Palos Heights, had planned a "model trailer city," which would accommodate 350 trailers.

Bertani told the board that the men had planned to spend a quarter million dollars on improvements for the proposed site before allowing a trailer to park there, but the zoning board wasn't having any.

Attorney Bertani chided the board of appeals.

"You have outlawed a legal business because you have not allowed any trailer courts in the county in recent years," Bertani said.

He also mentioned that when the board made a change in the ordinance that required a B-4 zone for trailers, no provisions for any B-4 areas were made. Mrs. Alma Brown, whose home is nearest the proposed project, did not voice any objections but John Handorf, who owns land on two sides of the proposed site voiced objections, claiming that the drainage from the proposed trailer court would be on his property.

Other objectors included Otto Moravcs and Victor Clady, who reported to have termed trailer courts eye-sores. William Loucks, president of the Marley school board who said the one-room school is already overcrowded and that the district has a budget of \$3,600, and Kervin Murphy who lives three-quarters of a mile away who said he believed the trailer court would devalue his property.

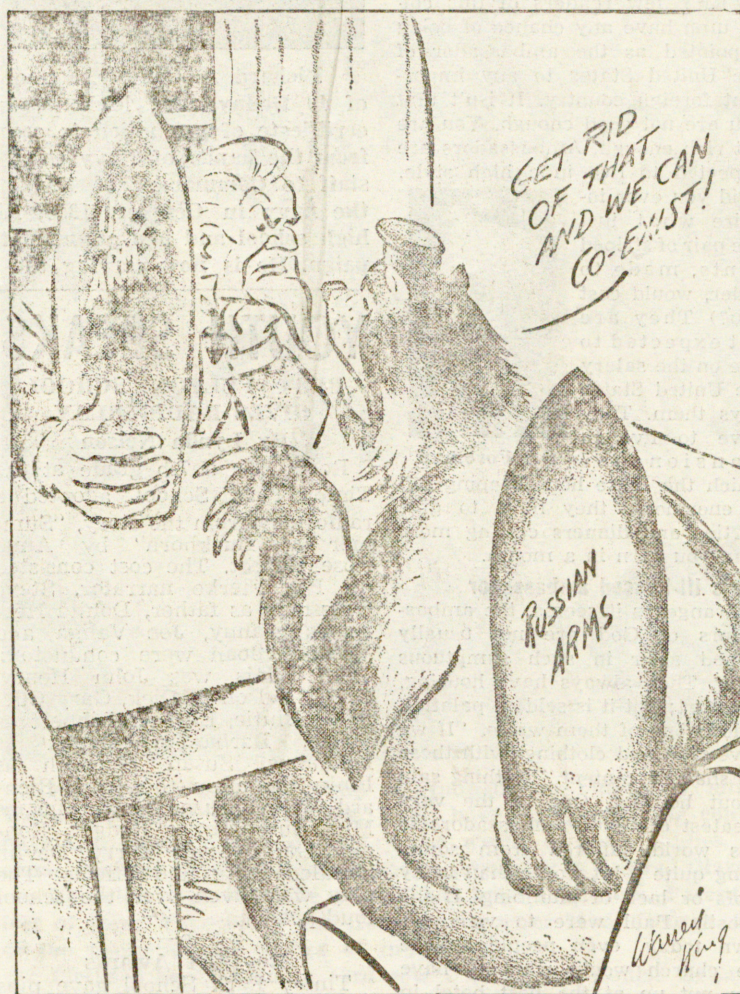

Trailer courts have not been popular with the Will county board. Most town officers in the county are opposed to the location of trailer courts and the school districts are very much opposed.

Tax returns from trailer courts are practically nil, it was said, compared with the cost they impose on school districts.

Approved by the zoning board was the petition of Bogdon Brothers of Frankfort for an I-1 classification for their property along the E. J. & E. tracks in that village that they may can mushroom there. The mushrooms are raised at Frankfort.

Also given an O.K. was the request of Anna T. Wilmsen for a B-1 to enable her to conduct a retail business on the south side of Francis rd., second lot west of Cedar rd., New Lenox township.

Invitation to Suicide

Words To Remember!

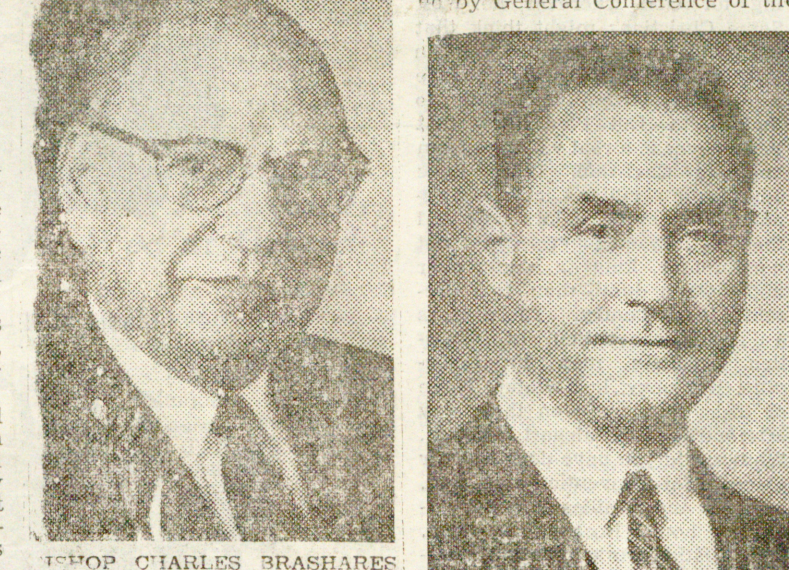

Whenever the Russian Communist dictators break out with their occasional smiles and talk about "disarmament", we should remember the words of that wisest and most experienced of world statesmen—Winston Churchill. He said:

"Of one thing I am quite certain. If the United States were to consent, in reliance upon any paper agreement, to destroy the stocks of atomic bombs which they have accumulated, they would be guilty of murdering human freedom, and of committing suicide themselves!"

It is wonderfully comforting that another great world leader for peace named Eisenhower gives every evidence of agreeing with Sir Winston!

Methodist Pastors, Laymen to Hold Conference June 18-22

Pastors and lay delegates from the Methodist churches of the area will be among the 644 official delegates to the 117th annual session of the Rock River conference June 18-22 at DeKalb.

BISHOP CHARLES BRASHARES

DR. HAROLD A. BOSLEY

The Rev. Ben F. Day and Ralph Dralle will represent the Frankfort church, the Rev. Glen E. Ames and Harry J. Dean, the Tinley Park church. The Rev. George H. Martin and Robert Townsend of the New Lenox church; the Rev. E. Dale Kleinschmidt and Berle Needham, the Mokena church; and the Rev. John B. Vautrin and Charles Krapf of the Green Garden Methodist church. The pastor at Orland Park, the Rev. Robert Plastow, has gone to a meeting of the So. California-Arizona conference where he will be ordained. He comes originally from that conference.

There are 372 churches in the Rock River conference and Bishop Charles W. Brashares, resident bishop of the Chicago area of the Methodist church which includes to state of Illinois.

The Rock River conference includes churches with a membership of more than 169,000 in northern Illinois.

The conference will open with Holy Communion at 2:30 Monday afternoon and will adjourn Friday evening, June 22, following the ordination service and the reading of pastoral appointments for the next conference year.

Conference sessions will be conducted in the auditorium of Northern Illinois State college, with son of the worship services, including Holy Communion, to be held in the First Methodist church.

Morning and afternoon sessions of conference will be spent

Lincoln-Way High Needs More Money To Meet Expenses

Six From Area To Get Degrees From Illinois

The largest graduating class in the history of the University of Illinois—2,584—will receive degrees on Saturday, June 16.

There are six from this area: Carol E. Spoonhour, 183th and Wolf rd., Mokena.

Ronald A. Steen, 32 East Third st., Mokena.

Norman F. Heisner, 221 W. Nebraska st., Frankfort.

Charles J. Francis, 126 W. Haven st., New Lenox.

Donna M. Cowan, 14344 S. Greenland ave., Orland Park.

James L. Brook, 610 State St., Manhattan.

Another 372 diplomas will go to graduates of the university's health sciences professional units—medicine, dentistry, pharmacy and nursing at Chicago tomorrow to bring the total of degrees to 2,956.

Ceremonies at the Champaign-Urbana will be at 10 a.m., daylight time, in Memorial stadium. Graduates will assemble in the armory at 9 a.m. and march to the ceremonies at 9:30.

Scheduled are 2,033 bachelor's degrees and 551 advanced degrees, including 107 doctorates. The graduates come from 469 communities with in the state and many outside.

If weather interferes with the outdoor ceremony in the stadium two ceremonies—10 a.m. and 2 p.m.—will be held in George Huff gymnasium, with half the graduates at each.

Robert D. Calkins, president of Brookings Institution, Washington, D.C., is to be the speaker in the department. The Act also specifies certain responsibilities and duties applicable to each buyer of wheat.

Conrad Borms, office manager of the Will county ASC has scheduled a meeting at the Will County ASC office, 564 N. Chicago st., Joliet, on June 19 starting at 1:30 p.m. to instruct Warehousemen, Feeders, Processors, Bankers, School Officials and others interested may attend to become acquainted with the program.

The end of the TV western is in sight. The way those cowboy heroes shy away from girls, the breed will be extinct in a generation.—CHANGING TIMES

The polling place will be open from 12 noon to 7 p.m., daylight saving time.

The actual additional cost to the average homeowner amounts to about \$8 per year, and the extra tax on the average farm amounts to about 28c per acre. These estimates are made on an average home valuation of \$4,000 and on the average equalized valuation on the farm land of \$140 per acre.

Rolling places in the district are located in the elementary school buildings in Mokena, Manhattan, Frankfort and the Haven school in New Lenox. Polls will be open from 12:00 noon until 7:00 p.m.

The grade schools in the Lincoln-Way district are also showing a marked increase in enrollment each year which eventually will be reflected in the high school.

Bremen and Sandburg high schools are preparing to enlarge their plants to twice their present size to meet the growth in their areas. Lincoln-Way is not faced with that problem yet, but it is in need of more money with which to pay salaries and buy the supplies necessary to operate a school of high standards.

Referring to the anticipated 45 per cent increase in natural gas that will be available on a peak winter day from the Natural Gas Pipeline Company through its proposed connection with a Rocky Mountain supply line, Chandler said that completion by December 1957 is far from assured because possible delays in obtaining necessary approvals and in delivery of pipe.

Meanwhile, Northern Illinois Gas and its suppliers are continuing to seek additional means of storing gas in or near the company's territory.

Kerr and Smith were elected to fill the vacancy on the board created by the resignation of H. P. Sedwick last fall, and to replace Joseph H. King, who at his own request, was not a nominee for re-election.

In his talk, which preceded a short program demonstrating gas cooking, Chandler briefly outlined the utility's operations in which the supply problem

continues to be the most important.

While the gas supply is sufficient to meet basic demands, he pointed out the continuing demand for house heating poses a formidable problem.

Approximately 44,000 gas furnaces have been connected to the company's system since May 1, 1955, and next winter about 232,000 residences in northern Illinois will be heating with gas—an increase of 196,000 during the last ten years.

However, Chandler said, "with 165,000 still on our waiting list and more filing applications every day, I regret to say there is no early prospect of reducing this waiting list appreciably."

Will Sell Old School Site at Auction July 7

Sale of the old Mokena school grounds is scheduled for July 7 and will be sold on that date to the highest bidder. It was announced by County Supt. of Schools Verne E. Crackel in his capacity as secretary of the board of county school trustees.

Sale of the land was authorized by the voters of the Mokena district at a recent election but it is the board of county school trustees that orders the sale and will furnish title policy to the purchaser.

There are three lots in the tract that is located at Front st. and School House rd. Bids will be taken on each lot separately and then on the parcel as a whole. The lots will be sold at the best figure, provided it meets the minimum acceptable price set by the trustees—\$1700 for each lot or \$5,000 for the tract as a whole.

The sale is scheduled for 10:30 a.m. on the premises.

Will Vote on New School District in Homer Township

A special school election is to be held at the Homer town hall June 30 to decide whether a Community Consolidated school district be established.

The proposed district would be made up of five existing Will county school districts, Nos. 127, 128, 130, 131 and 135.

Date for the election was announced by County Superintendent of Schools Verne E. Crackel. A petition asking that a referendum be held on the consolidation move was filed with Supt. Crackel June 5. It was signed by some 200 persons.

The tax rates set up in the petition calls for 90 cents for educational purposes and 25 cents for building purposes.

The polling place will be open from 12 noon to 7 p.m., daylight saving time.

However, Chandler said, "with 165,000 still on our waiting list and more filing applications every day, I regret to say there is no early prospect of reducing this waiting list appreciably."

On Saturday, June 16, a special school election will be conducted in the Lincoln-Way high school district for the purpose of obtaining an increase in the educational and building tax rates. The present 71c education rate and 10c building rate are insufficient to meet the budgetary requirements. These two rates actually net the school approximately \$187,000 and \$25,000. Since the high school enrollment has doubled during the past five years, and the assessed valuation only increased about 8 percent, additional funds are obviously required. The voters are asked to approve an increase of 15 cents in the educational rate and 5 cents in the building rate.

The financial plight goes back to the time when the district was organized. Tuition for the students was always paid at the conclusion of the school year. Then, when Lincoln-Way started in 1954, new equipment had to be purchased and current expenses paid for on a cash basis. In addition to some increases in teachers' salaries, more teachers are required each year. The Lincoln-Way staff has already assumed a much heavier workload than is normally assigned.

In comparing the present tax rates with other schools, it is found that all of the new schools in the southwest suburban area have higher rates with the exception of the Reavis school. All of these same schools have considerable more assessed valuation.

Albert H. Krusemark, president of the board, pointed out that these extra funds would be used only for the absolute necessities in the normal operation of the school. He mentioned that "the small increase in teachers' salaries, plus the extra teachers necessary for the next two years will utilize most of the additional funds secured by this referendum." The average per capita cost of educating high school students in this area amounts to about \$450 per year. The board of education had hoped that the annual increase in the district's assessed valuation would keep pace with the increased costs. Since this is not true, an additional tax rate is the only other alternative.

The actual additional cost to the average homeowner amounts to about \$8 per year, and the extra tax on the average farm amounts to about 28c per acre. These estimates are made on an average home valuation of \$4,000 and on the average equalized valuation on the farm land of \$140 per acre.

Gas for Space Heating Still in Short Supply, Says Utility Head

Northern Illinois Gas Company is continuing to do everything it can to solve its tight gas supply situation, but there is no early prospect of reducing appreciably the growing residential space heat waiting list, President Marvin Chandler told stockholders June 12 at the utility's annual meeting in Aurora.

Chandler's report to stockholders preceded the election of two new members to the nine-man board of directors. William S. Kerr, Evanston, vice president and business manager of Northwestern University; and Harold B. Smith, Barrington, president, Illinois Tool Works.

Directors re-elected included Marvin Chandler and Edgar E. Lungren, president and executive vice president, respectively, of the gas company; H. A. Barber, president, Barber-Greene company, Aurora; Calvin Fentress, Jr., president, Allstate Insurance Company, Skokie; Perry L. McPheeters, president, Wheaton National Bank, Wheaton; Carl J. Sharp, chairman, Acme Steel company, Riverdale; and Douglas P. Wells, vice-president, Clearing Industrial District, Inc., Chicago.

God's Ambassador
Lesson for June 17, 1956

VERY few readers of this col- umn have any chance of being appointed as the ambassador of the United States to any impor- tant foreign country. It isn't that you are not good enough. You are not rich enough. Ambassadors are expected to live in a high style.

(Did you ever in- quire what just one pair of striped pants, made to order, would cost you?) They are not expected to live on the salary the United States pays them. They have to live in mansions for which the mere housekeeping bill is enormous. They have to give parties and dinners costing more than you earn in a month.

God's ill-housed ambassador

Strange as it seems, the am- bassadors of God are not usually looked after in such sumptuous style. They always have housing, of a sort; but it is seldom palatial. Indeed one of them wrote, "If we have food and clothing, with these we shall be content." Nothing said about housing. One of the very greatest of God's ambassadors in this world suffered from some- thing quite a bit worse than leaky roofs or lack of plumbing. If the Apostle Paul were to visit our town today, even people outside the church would want to have him put up at the best hotel in town, or entertained at the finest homes. Paul sometimes got this sort of treatment, but a great deal of the time, indeed for years on end, he would be actually in jail. Not only that, but he would have to wear chains on his arms and legs as if he were a member of a chain-gang. Strange to say, too, this did not make Paul unhappy or bitter. After two solid years of that sort of thing, some men might be willing to quit. But not Paul. Standing before a king, his hands weighted down so that it was hard to move, Paul said, "I would to God you were just as I am—except for these chains." He would not wish his chains on anybody; but otherwise he knew he was bet- ter off than a king, for he was still the ambassador of God. There is no higher place.

God you were just as I am—except for these chains." He would not wish his chains on anybody; but otherwise he knew he was bet- ter off than a king, for he was still the ambassador of God. There is no higher place.

Spokesman for God

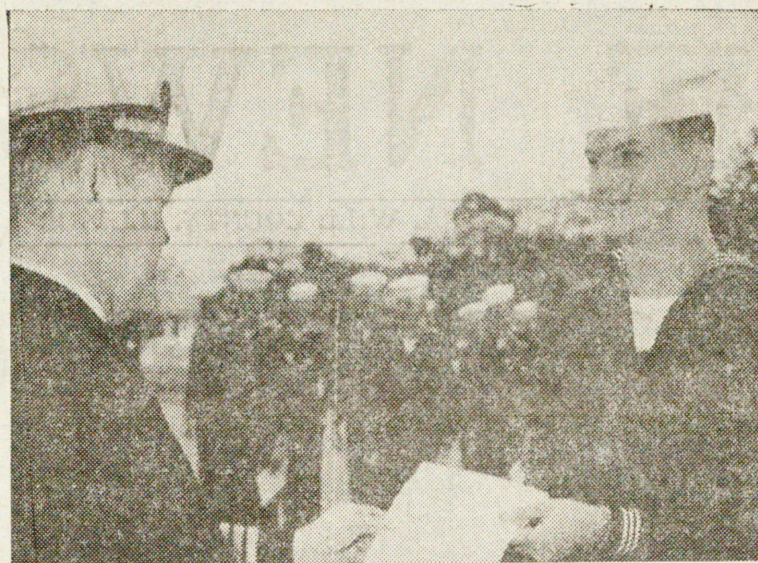

We must not blame God for the poor treatment his ambassadors receive. It is not his fault. But God's men understand this. Paul understood it, and went on speak- ing for God wherever he was. Some Christians might think that if Providence had dumped them in jail they could be expected to take a vacation from witnessing to their faith. But Paul knew that there never is a real vacation from being a Christian. There have been some peculiar characters ap- pointed as ambassadors now and then by human governments; but no emperor, king or senate ever appointed a dumb man, to rep- resent his country. There was a great convention of Chris- tian business men in Louis- ville, Kentucky, last winter. Three of these men were on their way afterwards to the airport in a taxi. What would you have done in their places? The convention was over, business and families were expect- ing you home. No time, no place, for Christian work in a taxi, sure- ly? But these men did see it that way. They talked to the driver, found he was not a Christian. Never mind the plane, they said, just drive us to your own home. There they talked with him, prayed with him, and he gave his heart to Christ. They missed the plane, but do you think they re- gretted it?

The chains still rattle

Actual iron chains do still im- prison some of God's people. There are parts of the world where it is almost a crime merely to be a Christian. But even where that is not true, the men and women who represent God have to work against many kinds of handicaps. Sometimes it is only being thought peculiar, or superstitious. Some- times it is having to work under a government which is unfriendly to religion, as is the case in some mission fields. Sometimes it is some local "industry" which is vicious and powerful and will strike back at any person, or group, religious or otherwise, that threatens to cut down their profits. Sometimes these invisible chains muzzle the mouth of a minister whose people will not let him speak up for his own Christian ideals. Well, chains may hold back God's kingdom; but they will never stop it!

Hold Lamb Show
4H members of Will county met on the Ray Powers farm near Mokena to show lambs in Will County's first annual mar- ket lamb show June 5.

Champion of the show was a single lamb owned and shown by Barbara Hansen of the Hom- er Husky Hustlers 4H club. Barbara is 15 years old and lives on a farm near Lockport.

Other winners in the "A" award group were Carl Heus- ner, Lemont, member of the Barbers Corner 4H club, and Miss Hansen with a pen of three lambs.

John Marshall of Wesley 4H Hustlers won all three ribbons in the "B" award group.

Marilyn Roth and Carl Heus- ner, both members of Barbers Corner 4H club, won "C" awards on thin market lambs.

The lamb show was judged by Ernie Bielfus of the sheep de- partment of Chicago Producers Commission Association. Bielfus explained reasons for the plac- ings to the 4H youth and grad- ed the lambs for shipping to the stockyards.

The "pooled" lambs were sold

on Wednesday's morning mar- ket. Several of them received the top market price for the day, \$30, and the others were sold at \$24. per hundred.

Donna Marie Van Antwerp Weds F. H. Schmidt of Elgin, Texas, In Zion Lutheran Church, June 10

Donna Marie Van Antwerp, daughter of Mr. and Mrs. Fred D. Van Antwerp of 6664 W. 175th street, Tinley Park, became the bride of Clifford DeLano Schmidt, son of Mr. and Mrs. F. H. Schmidt of Elgin, Texas, Sunday, June 10 at 5 o'clock. The wedding took place in the Zion Lutheran church, which was artistically decorated with white carnations, yellow roses and candles, with the Rev. R. Hahn officiating at the double ring ceremony. Mr. Walter Wehr sang "The Twenty-Third Psalm" and the "Wedding Prayer," accompanied by Mrs. Melvin Rensink, organist.

The bride, who was escorted to the altar by her father, wore a gown of chantilly lace, the bodice of which was trimmed in sequins and pearls. Her fingertip veil was caught by a crown of pearls, and she carried a strand of pearls. She carried a white Bible adorned with white gardenias and white streamers decorated with yellow rose buds.

The maid of honor, Miss Mildred Algaier, wore a light green ballerina length chiffon gown and a beaded crown with face length veil. She carried a bouquet of carnations. The bridesmaids were Miss Diane Stelter, Miss Suzanne Hupe and Mrs. Osborne Hardin. Their gowns

were ballerina length yellow chiffon and they wore beaded crowns with face length veils. Their bouquets were of carnations.

The flower girls, Ruth Ellen Hopman and Sandra Hardin, wore light green dresses identical to the bridesmaids, and carried baskets of yellow rose petals.

The best man was Ivan Leschber and the ushers were Timothy Van Antwerp, Ronald Wensel and Osborne Hardin.

The bride's mother was gowned in pink silk shantung with white accessories and a corsage of gardenias. The mother of the groom wore a light blue gown with light blue accessories and a corsage of gardenias.

Mrs. Emma Moore, bride's grandmother, wore a blue print with a corsage of gardenias.

A reception for 200 guests was held at the Saenger hall. The tables were attractively decorated with bouquets of white carnations and yellow rosebuds, a beautiful setting for the lovely wedding cake.

The newlyweds are motoring to Corpus Christi, Texas, the groom being in his last year at the Texas Lutheran college in Sequin. He is employed by the South Texas Printing Company, and the bride works for Allis Chalmers Mfg. Co.

Wedding of Homer Couple Held in Lockport

St. Dennis church, Lockport, was the scene of a lovely spring wedding when Margaret Mary Welter, daughter of Mr. and Mrs. Barney Welter, Homer township became the bride of Charles R. Adelman, Jr., son of Mr. and Mrs. Charles Adelman, Sr., also of Homer township at 10 o'clock high mass on May 12. The Rev. Henry Wilkening officiated at the double ring ceremony.

The altar was decorated with seasonal blooms.

Given in marriage by her father, the bride wore a gown designed for her by Alfred Angelo, of imported chantilly lace and French nylon tulle. The back lace bodice was fashioned with a boat neckline of tiny nylon tulle ruffles, with a lace center panel and cascades of ruffles down the side panels to her chapel length train. Her ensemble was completed by a flat head piece of chantilly which held in place her fingertip French illusion veil. Her only jewelry were a pearl necklace and earrings. She carried a bouquet of stephanotis and amazon lilies centered with an orchid, also a white pearl rosary, a gift of the groom.

Mrs. Richard Kelenbach played and sang traditional wedding music, and the bride placed a bouquet of red roses at the altar of the Blessed Virgin.

Maid of honor was the bride's sister, June Welter, who wore a yellow strapless floor length gown of nylon net with matching fichu. Her bouquet was aqua and yellow carnations. She wore pearl necklace and earrings and white wrist gloves.

The bridesmaids were Nancy Grady, Carol Petlewski and Mrs. Betty Welter. They wore dresses similar to Miss June's, but aqua in color with yellow carnations.

Thomas Gavin served his friend as best man while the ushers were Joseph Just, Norman Pankow, Bennie Welter and John Adelman.

A wedding breakfast was held in the Welter home following the ceremony, for the immediate families, and a late dinner was served at The Candlelight, also for the families.

A reception for about 500 guests was held at Goodings Grove Hall in the evening.

At her daughter's wedding, Mrs. Welter wore a gray and pink print silk dress while Mrs. Adelman, Sr., chose a powder blue lace; each wore white accessories and corsages of white baby mums.

When the newly weds left on their honeymoon to Florida, Mrs. Adelman was wearing a gray and yellow sheath dress with matching duster, elbow accessories and a white orchid. For the present they will live at the home of her parents.

70 Relatives and Friends Greet Christ Kohls on 50th Anniversary

The Christ Kohls of Mokena celebrated their golden wedding anniversary on Wednesday of last week, June 6.

The affair was a surprise to the couple. Some 70 relatives and friends came to the party that began in the afternoon and continued thru the evening.

Dinner was served to all the guests and later there was a buffet supper.

There was a three tier wedding cake, decorated in keeping with the occasion in letters of gold, and flowers of various shades of gold were used in decorating the rooms.

Christ Kohl and Minnie Schilling were married June 6, 1906 in the parsonage of Trinity Lutheran church at Tinley Park and began housekeeping on Maple rd., four miles west of Wolf. Four years later they bought a farm on 191st st. east of Mokena, and lived there until 1940 when they retired and built a new home a quarter-mile to the east.

Mr. Kohl served as local committeeman for the AAA farm program for many years until 1950. A Democrat in politics, Mr. Kohl has served as precinct committeeman for Mokena for 30 years but retired from that post about ten years ago.

The Kohls received many cards, flowers and other gifts and expressed their gratitude for the fact that so many relatives and friends remembered them.

Mr. Tohl is 75 years old and Mrs. Kohl 71. They do considerable reading yet find time for TV and radio. They live across from Summit Hill school and Mr. Kohl confided that he gets considerable enjoyment from the baseball games played there.

Marjorie Lindgren, Bernard J. Coyle, Jr., To Wed at Orland

Mr. and Mrs. John Lindgren of Chicago, former residents of Orland Park, announce the approaching marriage of their daughter, Marjorie, to Bernard J. Coyle, Jr., son of Mr. and Mrs. Bernard J. Coyle of Chicago.

The wedding will take place Saturday, June 16 at 4 p.m. in St. Michael's church, Orland Park, with the Rev. Frank Coyle uncle of the groom to be, officiating.

Friends in Orland are invited to attend the wedding ceremony and refreshments which will be served in the church dining room, following the ceremony. The bride to be is the niece of Mr. and Mrs. Fred Fial and Mr. and Mrs. Harold Morlock, Orland Park.

New Lenox Riding Club Has Breakfast At Bob Benson Home

An early Sunday morning ride was enjoyed by 13 members of the New Lenox Riding club Sunday, June 10 at the Bob Benson farm in Mokena. Breakfast was served to the group at 6 a.m. in the woods near the Benson home.

The group will join in a trail ride Sunday, June 17, then hold a regular business meeting. Mr. and Mrs. Emil Groth and Bob French will be in charge of the day's activities.

Doctors Ingmire and Atrill of Joliet will present the challenge trophy to winners Sandy Eden and Don Waring and ribbons to other various winners.

Kirby Mothers Close Club Year

Kirby Mother's club have been busy with final plans closing their club year and the end of the school year.

The annual school outing was held May 25 with mothers providing transportation for 52 students to Swallow-cliff, Palos forest preserve. The all-day picnic was wonderful with the weather cooperating to the full.

The May 29 club meeting with Mrs. F. J. Dinger hostess assisted by Mrs. P. H. Whitcomb received all chairman reports, and made plans for a pot-luck early evening party for club members, dated June 13 at the school. Mesdames Dinger and Brunleve are arranging the affair. At the close of the meeting, the group honored Miss Ruth Frazor, a teacher at the school, with a miscellaneous shower. Miss Frazor will be married this month. She will be back on the teaching roster in the fall.

The June 6 meeting of the Ladies Aid got off to a fine start with delicious coffee cake and coffee served by Mesdames Vogt, Wagner, Wannamacher, Wheeler, and Wehr.

The meeting was opened by singing "Jesus Sun of Gladness." Scripture and prayer by Dorothy Keuch.

Twenty-seven members were present to answer roll call. Do you know of anyone who would like the job of baby sitting for these meetings. Evelyn is working.

The resignation of Mrs. Jean Truehardt, was regrettably received.

The rug committee sewed at Mrs. Marquardt's June 8.

The Sew and Sew will be postponed a week. They will meet June 20 at 1 o'clock at the home of Mabel Lanfrusti. Come for lunch ladies.

Phyllis Darby volunteered to write the servicemen this month.

Tickets for the Father and Son banquet to be held June 14 at 6:30 p.m. are on sale.

The Rev. Rudolph Hahn spoke about leadership training school which starts June 26.

Pickateria will be held on Wednesday, July 18, starting at 5:30.

Next Ladies Aid date falls on July 4, so the meeting will be postponed until July 11.

Next bake sale will be June 22 with Alice Propp and Ava Funk in charge.

The entertainment committee consisted of Mesdames Giesel, Hahn, Hayes and Gungel who presented an interesting game and showed lovely films about roses.

The meeting was closed with the Lords prayer.

VFW Opens State Encampment Today At Springfield

The 37th annual encampment of the Department of Illinois, Veterans of Foreign Wars, will be conducted in the auditorium of the state armory, Springfield, today thru Sunday. Approximately 10,000 delegates of the VFW and Ladies Auxiliary will assemble in the Capital City for the annual convale. A joint opening session will hear an address by Governor Wm. G. Stratton at the state armory tomorrow morning, June 15. The VFW state council of administration will meet at the Hotel Leland, encampment headquarters, today. Illinois Department Commander Roy G. Lechner of Carmi, and Auxiliary President Iva Spackman of Rockford, will preside at respective business sessions.

Among those to be honored at the encampment will be Robert Sargent Shriver, Jr., president of the Chicago board of education, who was recently named "Veteran of the Year" by the Veterans Poppy Day Association. Shriver will be awarded the VFW Award of Merit. He is a member of Merchandise Mart VFW Post. Among dignitaries invited rank such names as Vice President Richard Nixon, former Governor Adlai Stevenson and Senator Estes Kefauver. News Commentator Fulton Lewis, unable to attend in person, will be honored in absentee style.

Governor William G. Stratton is looking for any young person in Illinois who valourously saved or tried to save a life last year. Any information which might lead to an award from the U. S. Department of Justice will be welcomed.

All nominations for these honors must be sent to Young American Medals committee not later than June 30, and information concerning Illinois candidates should be in Gov. Stratton's hands by June 15.

Children under 12 will be admitted free to the 1956 Illinois state fair, August 10-19, when accompanied by a parent or guardian.

Betty Miller, Robert Christman Exchange Nuptial Vows in Tinley Park Methodist Church

Nuptial vows were exchanged by Miss Betty Miller, daughter of Mr. and Mrs. Andrew Miller, 18201 Harlem ave., and Robert Christman, son of Mrs. Doris Elder of Mokena, on June 9, at 4 o'clock at the Tinley Park Methodist church. The Rev. Glenn Ames officiated at the double ring ceremony. The church was beautifully decorated with baskets of early summer flowers and candelabras, the candle lighters being Fred Shunko and Ralph Stahl.

Mrs. Glenn Ames, soloist, accompanied at the organ by Walter Wehr, sang "Because," "Oh Promise Me" and the "Lord's Prayer." The bride was beautifully gowned in white lace over satin, with full skirt, two yard train, sequin trimmed collar and neckline. Her fingertip veil, edged with lace, was caught by a crown ornamented with pearls and rhinestones. The bride carried a white carnation bouquet centered with orchids.

Miss June Hood, the maid of honor, wore a strapless gown of light blue net over taffeta, with a net stole and carried a bouquet of yellow carnations. The bridesmaids, Jean Kilkent, Betty Walter, and Louise Stahl, and the junior bridesmaid, Susan Cheke, were gowned similarly to the

maid of honor with the exception of the color, their gowns being yellow. They carried bouquets of blue carnations and wore picture hats. Thomas Froio was the ring bearer, and LeRoy Jarchow, Fred Shunko, Peter Coneset, Jr., and Ralph Stahl were the groom's attendants.

The bride's mother wore a gown of white lace over light blue taffeta with jacket to match and accessories of light blue. The groom's mother was gowned in pink chiffon with white accessories.

Both mothers wore orchid corsages.

Mrs. Christine Coneset and Frank Meek, grandparents, were honored guests at the wedding.

Saenger Hall was the scene of the reception at which 350 guests were served dinner. Each bridesmaid had a doll cake matching the color of her gown. The wedding cake was a five-tier square creation.

The newlyweds motored to Park Falls, Wisc. for their honeymoon. They plan to make their home at 175th and Central in Tinley Park.

The bride is employed at the Continental Casualty Company, and the groom at the North American Car Corp.

EDITORIAL

by Margaret Semmler

Have we time to read the following? Or are serious subjects too annoying? Or are we inclined not to be bothered with subjects we already know as it then becomes dry and we only want to think and discuss things that make us laugh. There is no fault to be found, certainly, in laughing, the world needs more of it.

But just for a moment let's declare that a ruling has gone out over the nation that from henceforth, the Stars and Stripes is not to be flown anymore from public buildings, homes, or carried in parades etc. Replacing it will be a new design of a flag.

I know there would be a great uprising among the American people if that ever would be the case.

After all what is in a flag? We say it is a symbol. Our flag, what do we call it? "Old Glory," "The Red, White and Blue," "Stars and Stripes"? It is a symbol of Freedom (how we have fought for that).

It is a symbol of Truth, a great patriotic sentiment of a people who have become great because of that Truth which has been handed down to our forefathers as a great Christian heritage.

Teddy Roosevelt said, "We have room but for one flag and one loyalty. We hear too often about the United Nations flag and that it should fly above the Stars and Stripes. In my opinion no flag should fly above the Stars and Stripes except the

Christian flag.
Ben Franklin said, "We are a Republic—if you can keep it." We should never allow anyone to sway our thinking that we need two flags in this country. If that is so, it must therefore mean a divided loyalty. Can we have that? Would that be in some way being identified with paganism? Sometimes it seems so to me.

Therefore can we fly Our Flag on Flag Day for

America the Beautiful—O beautiful for spacious skies. For amber waves of grain. For purple mountain majesties Above the fruited Plain! America! America! God shed His grace on thee, And crown thy good with brotherhood From sea to shining sea."

O beautiful for pilgrim feet, Whose stern, impassioned stress A thorough-fare for freedom beat Across the wilderness! America! America! God mend thine every flaw, Confirm thy soul in self-control Thy liberty in law.

O beautiful for heroes proved In liberating strife, Who more than self their country loved, And mercy more than life! America! America! May God thy gold refine, Till all success be nobleness, And every gain divine.

O beautiful for patriot dream That sees beyond the years Thine alabaster cities gleam, Undimmed by human tears! America! America! God shed His grace on thee, And crown thy good with brotherhood From sea to shining sea.

Rates Krusemark Herd of Holstein

Thirty-five of Illinois registered Holstein herds have been officially classified for type by M. R. Campbell of Ames, Ia., an official inspector on the staff of The Holstein-Friesian Association of America, Brattleboro, Vt.

A total of 41 animals were inspected in the herd of Albert H. Krusemark of Frankfort were officially classified as good plus and 21 were classed as good. This was the first time that this herd has been classified.

The type classification program provides a recognized means of comparing the body conformation of living animals with that of the true-type Holstein cow and bull.

If you have enough pasture, cattle will apparently gain as well by grazing as by green-chopped feeding.

CARD OF THANKS
We wish to thank our many friends and neighbors for the flowers, cards and many kindnesses shown to us during our recent bereavement. We also want to express our appreciation to the Rev. Glenn Ames for his comforting words, and to the emergency squad manned by Robert Bridge and Henry Bettenhausen Jr.

THE WAGNER FAMILY
CARD OF THANKS
Many thanks to my good friends and neighbors who sent me so many lovely cards and good wishes while I was in the hospital and since I am home. They are greatly appreciated.
MRS. ALMA JAHMARKT

The next regular meeting of the Tinley Park Garden club will be Thursday, June 21 at the home of Mrs. Walter Mancke with desert luncheon at 12:30 o'clock. Mrs. Edna Clark will give the program and she asks each member to bring a miniature arrangement.

Last Wednesday Gerald Jacobs flew to Hollywood, Calif., where he joined the Vancouver, B. C. baseball club of the Pacific coast league. Jerry is the son of Mr. and Mrs. Ray Jacobs.

On June 28, Tinley Park Post 615, American Legion will be host at an evening meeting for the eighth district. All members are welcome and urged to attend to meet the Legionnaires from the area.

IMPORTANT NOTICE...

Beginning June 16,
to call Homewood
telephones, Dial "7"
instead of "8".

To call telephones in Homewood beginning June 16, dial "7" instead of "8" and then give the operator the number you wish to reach.

This change is being made to prepare for direct dialing in the future between Tinley Park and Homewood.

At the same time, a few Tinley Park telephone numbers will be changed. People whose telephone numbers will change have been notified. The new numbers are listed in the new telephone directory now being delivered. Please consult your new directory before making any call on or after June 16 to make sure you have the correct number.

And if you keep a personal telephone directory, it would be a good idea to check it with the new directory and correct whatever numbers are necessary.

PUBLIC NOTICE

Notice of Proposed Changes in Schedule

Commonwealth Edison Company (Public Service Company Division) hereby gives notice to the public that certain revisions in Schedule E-3 have been filed with the Illinois Commerce Commission on June 6, 1956.

In order that Company specifications regarding maximum allowable heater wattages may be revised from time to time to permit a more rapid adjustment to customer needs, it is proposed that such requirements be removed from the filed text of the residential and commercial electric water heating rates.

Further information with respect to these changes may be obtained directly from the Company or by addressing the Secretary of the Illinois Commerce Commission in Springfield, Illinois.

A copy of the proposed changes may be inspected by any interested party in any business office of this Company.

Bob Tattersall Hopes to Break Ice in Midgets

Bob Tattersall, an also-ran thus far in the young season, will be aiming for his first feature race victory in defense of his track championship Saturday night at the midget auto races in Joliet Memorial Stadium.

While Tony Saylor of Joliet and Chicago's George Selleny have shared feature victory honors, Tattersall, who hails from Streator, has captured two thirds in main events to date. Saylor and Selleny are virtual-

ly tied for the lead in the track point standings, with Tattersall a close third.

Tattersall, in winning the stadium title last season, set a record of four consecutive feature race triumphs. The skein finally was ended by Willie Wilson of Bensenville, who also is back in the thick of things this year.

Other top drivers making bids for initial main event wins are former champions Johnny Riva of Chicago and Ken Rubright of Lyndon; Jim Bender of Des Plaines, Frank Dukes of Evans-ton, Ray Elliot of Lockport and Jolietans Corky Singer and Bob Hauck.

Included on Saturday's program will be four heat races, a handicap event, 15 lap semifeature and 25 lap feature. Time trials start at 7:30 p.m. and the first race at 8:30 p.m.

Tri-County Small Fry Loop Opens Season

Tinley Small Fry Drop Game to Manhattan, 2-1

The Tri-County baseball league opened the season Monday, June 11.

The Tinley Park Small Fry travelled to Manhattan for their opener and lost by a narrow margin of 2 to 1.

The winning team scored two runs on three hits and Tinley one run on three hits.

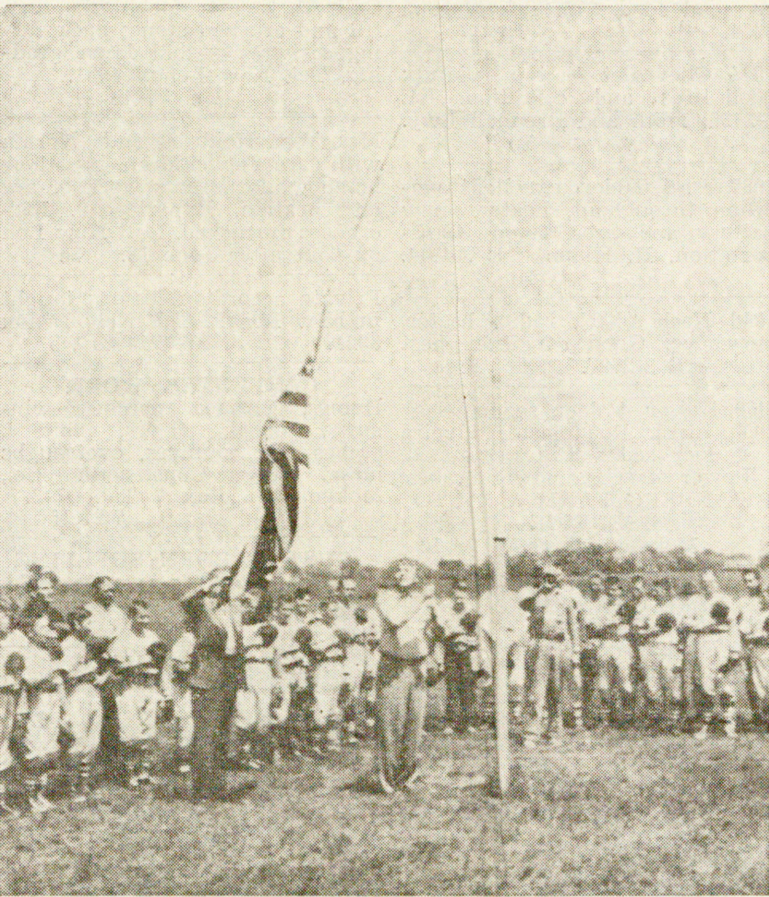

Jerry Romanenchi chalked up a homerun for the only Tinley score. Jim Casey and Mike Meakim tripled.

Manhattan's Tom Robbins banged a homer; teammates Hub bard, 3b, a triple, and Beam 2b, a single.

Bill Robbins pitched all the way for Manhattan. Tinley used Jerry Romanenchi, 12, and Ronnie Holt, 10 years old.

Francis Meakim and Jack Casey, Tinley manager and coach invite parents, friends, and boosters to attend tonight's home game when Tinley will meet Frankfort. Home games are played on the Bert Fulton school diamond at 6:15 p.m.

Baseball Season Now Official in Mokena

Mokena post of the Veterans of Foreign Wars had charge of the flag raising held in conjunction with the beginning of the 1956 season of the Small Fry and Babe Ruth baseball leagues. The ceremony was conducted at the diamond in Mokena Memorial park.

Tigers Lose to South Chicago 9-8 in Ten-Inning Contest

The Tinley Park Tigers baseball team journeyed to 89th and South Chicago last Sunday with the hope of a victory but instead came out on the short end of a 9 to 8 score in a 10-inning game.

Tinley was leading 8 to 5 in the last half of the ninth. The host team had the bases loaded but there were two outs and then the lead-off man for the South Chicagoans rapped out a hit. The runners were off with the crack of the bat and when the dust settled all three had crossed the plate to knot the count at 8 all.

In the first of the 10th inning, the Tigers twice got men to third base but couldn't bring them in. South Chicago had better luck, however. The first two men walked. Ron Shaper, who had come in for mound relief in the ninth inning was now replaced by Ron Zrennik. Zrennik walked the next man. Then with the infield pulled in for a possible play at the plate, the next South Sider up blooped one over Beccue, the Tiger shortstop, to end the game. Tinley started off strong in the first inning by taking a 1 to 0 lead, only to lose it when South Chicago came to bat. One hit and two Tiger errors netted the home team two runs. Then Tinley went into production and

had built up a 5 to 2 advantage in the third frame. Both teams continued to count until the ninth when the score was 8 to 5 for the Tigers. The rest of the story has been told.

Lacon, that bright little city on the Illinois river has had sudden, overwhelming evidence of the gain boating has made in popularity. What's more, Lacon's citizens are out to do something about it with the Junior Chamber of Commerce carrying the banner.

A few weeks ago the city's one small boat landing area at the foot of Fifth street found itself completely unable to accommodate the traffic.

One group alone, from Bloomington, numbered 33 cars with boats on trailers. When day was done it was estimated 500 people had used the limited launching area. In addition other groups, unwilling to wait out a long line, had gone on to other towns.

The area was so busy that many who had outboarded to Lacon with intentions of visiting the area were unable to get ashore and went visiting elsewhere.

This situation is all too common along Illinois lakes and waterways. And it is a problem that only the citizens of communities can correct through organized effort. It is well worth their time not only to provide a launching site but also facilities for service and refreshment.

The Lacon Jaycees are going after the problem with the support of businessmen and sportsmen. They have called on the state for aid and state officials have made a check and promised some help.

The Jaycees have obtained adjacent land which they have cleared for parking cars and trailers. As soon as the outboards are into the water, cars and trailers move to the parking area.

If other cities along the fine waterways of Illinois would follow the Lacon example they would find that it paid as boating no longer is restricted to living near water.

Question—How can I tell how large a motor I can use on my boat?

Answer—Boats built by manu-

Mokena Opens League Play With 2-0 Win

Mokena's Small Fry baseball team opened the 1956 Tri-County League season Monday evening with a thrilling 2 to 0 victory over Frankfort. The game was played at Frankfort.

An outstanding pitching job by Ronnie Yunker was the major factor in Mokena's triumph. His fast ball was smoking, and the rest of his stuff was working well too, as the 17 Frankfort batters who struck out are willing to testify.

Frankfort provided a serious scoring threat in the third inning when, with one out, Schofield singled and Warning doubled. Yunker settled down then and fanned the next two batters to retire the side.

Mokena scored both its runs in the top half of that same third inning after two outs. Sayers and Kruzich laid down perfect bunts. Sayers scored all the way from first on a wild throw. Kruzich crossed the plate on an error on a ground ball by Yunker. Incidentally while holding Frankfort to two hits, Yunker made that many himself, a single and a double.

Mokena will play its opening home game in league play tonight against New Lenox.

Mokena's Schedule:
June 14 - New Lenox Home
June 18 - Orland Park There
June 21 - Tinley Park There
June 25 - Manhattan Home
July 9 - New Lenox There
July 12 - Frankfort Home
July 16 - Tinley Park Home
July 19 - Manhattan There
July 23 - Orland Park Home

Bernie Wilhelmi Takes Command At Mazon Bowl

Bernie Wilhelmi is up to his tricks again, but a classy field of drivers plans a few surprises for the veteran Jolietan Sunday in the stock car races at the Mazon Speed Bowl.

Wilhelmi, one of the track's most capable drivers last season, came up after a slow start to capture two firsts and a third in the racing program last week. Victories in the feature and handicap—the two most difficult events on the program—put him among the elite and just a few points off the lead in the point standings.

Before last Sunday, Wilhelmi finished no better than third in any of his races.

Dan Curley of Milwaukee still maintains the lead in the point standings, a position he has held since winning the first feature race of the season.

Crowding up behind Wilhelmi are such standouts as Paul Burrow of DeKalb, the only other driver with a main event victory to his credit, Jack Tyne of Streator, Bill Barnes of Rockdale and Clem Lewandowski of Joliet.

Racing Sunday will get under way at 2:30 p.m., following time trials at 1:30 p.m. There will be four heat races, a trophy dash, 15 lap semifeature and 25 lap feature.

Results last Sunday:
Feature - Bernie Wilhelmi, Joliet, 1st; Bill Barnes, Rockdale, 2nd; Russ Gordon, Coal City, 3rd.

1st heat - Reinhart DeKing, Aurora, 1st; Barnes, 2nd; Wilhelmi, 3rd.

2nd heat - Dan Curley, Milwaukee, 1st; S. Loveman, Chicago, 2nd; Harold Locke, Ottawa, 3rd.

3rd heat - Bob Scroggins, Joliet, 1st; Gordon, 2nd; Walt Kowalczyk, Morris, 3rd.

Handicap-Wilhelmi, 1st; Bill Barnes, 2nd; Gordon, 3rd.

Frankfort Ruths Lose Practice Tilt to Mokena

The Mokena Babe Ruth team played their third practice game Friday night and won 9-3 from Frankfort. This makes one loss and two wins so far this practice season.

This game was highlighted by some good clutch pitching and some timely hitting. Pitchers Lew Johnson and Del Yunker did a fine job on the mound, allowing only four hits.

Slug Erickson, Jerry Haehnlein and Billy Sayers did most of the hitting. Sayers got a single, two walks and scored three runs. Erickson got a single, double and a walk and scored three runs. Haehnlein got a single, triple, and a walk in four tries. Haehnlein's triple, a line drive into left center with the bases loaded was the big blow of the game.

Mokena looked very good in the field and at bat, while being without the services of two regulars, Allen Green and Larry Semetis, who are sidelined with injuries. Their replacements, Jim Stanek and Anthony Dina played good defensive ball.

The only thing this team is lacking now is a little noise from our Mokena baseball fans who have not turned out as expected.

The regular Babe Ruth league season started Tuesday, June 12 when Mokena played Tinley at home.

Following is the Babe Ruth League schedule for the 1956 season:

JACK MAYPOLE

It seems that the hardy perennial, the golfer, who comes in two species, also has suffered from the late inclement weather along with baseball players, tennis fans, fly fishermen and other assorted sports lovers.

This was drawn to our attention recently by Herb Johnson, the pro at Midwest Country club near Hinsdale where we played a few holes to get acquainted with its grand 27-hole layout and look over the area where nine more holes will be added.

"Until the sun decided to put out a little heat for a few days in mid-May," Herb told us, "we were 4,200 players behind the number last year at that time. On a daily fee course that means something."

Herb was not entirely blue however. With the first hint of warm weather and particularly during the record-breaking heat spell, the golfers came out like dandelions. The course now is doing a fine business.

Looking over Midwest's beautiful clubhouse which has a restaurant, coffee shop and two cocktail lounges we had cause to remember when the golfer who was not a member of an exclusive club carried his lunch and an umbrella if he wished to play more than nine holes. Those days are a far cry from today's few courses like Midwest that offer all the conveniences of a private club.

As usual golfers this year are being offered a lot of new things guaranteed to reduce the stroke count without aid of an eraser. New grips, new shoe soles, new shafts are offered at your sports dealers.

Daniel Ryan, president, board of Cook county commissioners, announces that Joseph Frank Duda, 19, a patient at Oak Forest Tuberculosis hospital received his elementary school diploma.

In a brief graduation ceremony at the hospital, Mr. Henry Horne, assistant superintendent, Cook county schools, made the presentation on behalf of Noble Puffer, superintendent.

Patients and employees alike congratulated young Duda on his courageous uphill battle. Admitted to Cook County hospital in February 1952, he was transferred to Oak Forest in April 1953. As his condition permitted, he studied under direction of William Langhauer, Oak Forest Rehabilitation Director, and this spring was able to pass his examinations.

His diploma makes Mr. Duda eligible for admission to the technical school program he plans soon to enter. The rehabilitation program at Oak Forest is recognized as one of the most progressive in the field.

Miss Carol Tabbert was feted with a surprise shower; June 10 when relatives gathered in her home to surprise the bride to be. Miss Tabbert will be married June 30.

Mr. and Mrs. Eckel and family went to Wisconsin one day last week for the college graduation of her niece followed by an all family picnic. June 9 they visited Mrs. Eckel's mother in Enos Ind., and returned with several lovely plants from her garden to help beautify their own home.

Last Thursday was the last pack night for this season. Picky Eckel won his Bear and Wolf badge. Raymond Cotter was in the Cubs play and acted the part of a hobo. Several of the boys having passed the age of Cubs and eligible to become Scouts were taken into the Boy Scouts in an impressive ceremony. Refreshments were what most boys like best, hamburgers.

Guests in the Verhaegen home Sunday were Mr. and Mrs. Verhaegen Sr. from Chicago, their daughter and family, Mr. and Mrs. Gerrit Den Haas and son Gerald of Harvey and Mrs. Alsterda of Mt. Greenwood.

Afternoon guests of the Andersons were Mrs. Margaret Sorenson, Mr. and Mrs. Robert Perell of Chicago and Mrs. Perell's mother Mrs. McKeever, whose home is in Michigan.

If you are finding more cica-da than your neighbors perhaps you can blame it on the ones got away from Andy, Charles, George, Deke and John most nights you'll see flashlights flitting about the yard and voices calling "I got 'em!"

Don't say we didn't warn you but we saw Andy and Jack "putting" around on Nelsons green the other night. Golfers widows please note! If you are interested in bowling on THAT NITE phone Bev. today.

The Arthur Arnolds and the Gordon Bendix family held a joint family graduation party at the Arnolds home June 5. Nancy and Judy Bendix and Donald Arnold celebrated their graduation from Orland Park public school. The young people will attend Carl Sandburg High in the fall. Among the 16 guests present were Don's grandmother Mrs. Rice and Mr. and Mrs. Raymond Slusser of Crete, and Mrs. Lockhart, Mrs. Bendix mother, of Chicago.

Charles Harris and Bruce Niebrugge are planning to take swimming instructions at the Orland-Palos YMCA.

William Snodden treated several neighborhood youngsters to a surprise treat of watermelon Sunday evening.

Everyone is wondering to whom the little stray dog belongs. He seems to have adopted the Manas family who are unable to keep him. He's a smart dog and is reddish brown and tan and resembles a fox.

The three footed white cat has found an entrance to Al Karre's home and each morning they awaken to find it comfortably sleeping on daughter Debbie's bed.

Monday evening Mesdames Woodbury, Anderson and Niebrugge went to Park Forest on a shopping spree and had coffee with Mrs. William Murphy, a resident of Park Forest. The Murphy's are anxiously awaiting the day they can move into their new home in Laguna. The Niebrugge's were also former residents of Park Forest.

June 9 the Robert Andersons were dinner guests of the Henry Andersons in Chicago. Guests at the turkey dinner were Mrs.

Anderson the boys mother, Mr. and Mrs. Jack Mazakia of Riverdale and Mr. and Mrs. Edward Ruddy of Chicago. The Ruddy's plan to build in the new subdivision across from Silver Lake Golf course.

ALPINE

Mrs. E. Mrosek
Fieldbrook 9-2841

Nine students graduated in
exercises held at Maue school,
Monday evening, June 4. Grad-
uates were Joseph Albert, Ron-
ald Fandrey, Patsy Felsch, Ron-
ald Holden, Laurence Lauffer,
Frances Molitor, Carla Mrosek,
Betty Jean Stellwagen and Den-
nis Turay. All will enter Carl
Sandburg high school in the fall
except Ronald Holden who plans
to attend Joliet high school.

Guests at the graduation en-
joyed a fine program that had
been planned by the graduates,
with their teacher, Mrs. Winifred
Meinert, as adviser. The place
reserved for the presentation
of the program was decorated
with flowers, the predom-
inant colors of which represent-
ed the school colors of blue and
gold. Centered on the wall in
back could be seen, in big let-
ters, the class motto, "Learn to
do, by doing."

The program was: Processional-
al, "Simper Fidelis," with Kay
Maue at the piano; invocation,
the Rev. Herschel Aseltine of
Marley Community Baptist
church; Class song, "I Would Be
True," sung by the class with
Pamela Cripps at the piano;
piano solo, "Rustic Dance," by
Carla Mrosek; class history,
Betty Jean Stellwagen; piano
solo, "Serenade," Patsy Felsch;
class prophecy, Dennis Turay;
address by assistant superinten-
dent of schools, Henry Hopp;
presentation of diplomas, pres-
ident of the school board, Ed-
ward Mrosek; benediction, the
Rev. Mr. Aseltine; recessional,
"Simper Fidelis," Kay Maue.

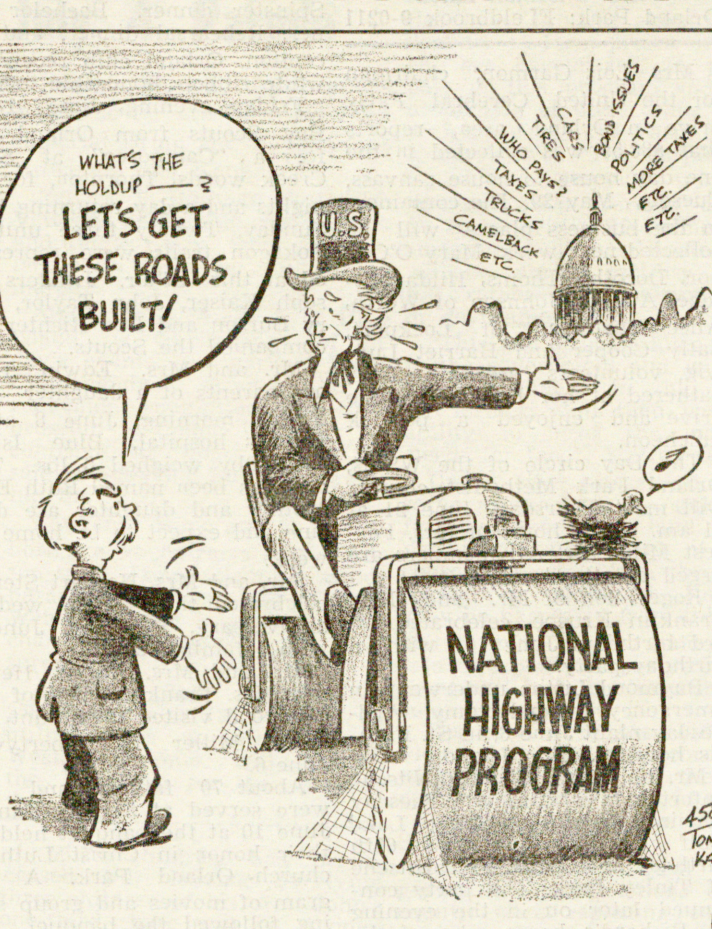

Mr. Hopp's interesting ad-
dress was based on the class
motto, "Learn to do by doing."
He stressed the importance of
people being able to work to-
gether, as they, the graduating
class, had done in planning
their program.

The class motto, after ponder-
ing over many ideas, was sug-
gested by Frances Molitor and
Ronald Holden. The class history
was written by Betty Jean
Stellwagen. Carla Mrosek and
Laurence Lauffer, Patsy Felsch and
Joseph Albert. Some of the
school's former baseball com-
petitors might have been a little
red faced had they been present
to hear the statistics of past
games as recorded in the class
history.

The class prophecy was com-
posed by Dennis Turay and was
undoubtedly written before they
had heard Patsy Felsch play
the piano. The prophecy, written
in a merry way, and read by the
school's comedian, Dennis Tu-
ray, was very amusing.

Following the program, a re-
ception was held in the base-
ment. Tables were decorated
with candles and flowers and

Buys 280 More Voting Machines

The county board has taken
a large step closer to the goal
of eliminating paper ballots in
polling places under the county's
jurisdiction.

The board decided to buy 280
more voting machines at a cost
of \$1,560 each—a total of \$436,-
800. That almost uses up the
450-thousand dollars appropriat-
ed for voting machines in this
year's budget.

The machines will be deliver-

election.

IBA Is Working To Revise Banking Act

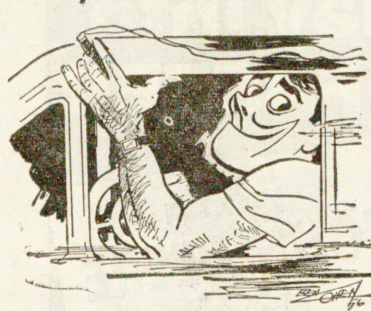

The Illinois Bankers Associa-
tion announced today it would
wage a vigorous campaign in
support of the New Illinois
Banking act which will be vot-
ed on at the general election
Nov. 6.

A committee selected from out-
standing bankers thruout the
state has been organized to work
for adoption of the act, first
complete revision of the Illinois
Banking Act in nearly 70 years.

The proposal will appear in
the left hand corner of the prin-
cipal white ballot at the Nov.
6, general election, was passed
unanimously by both houses of
the state legislature at its last
session.

It requires approval of a ma-
jority of those voting on the
issue to become a law.

You'll Get Leafier Hay into Better Windrows... FASTER

with a **JOHN DEERE No. 851 Side-Delivery RAKE**

With a John Deere No. 851 Side-Delivery Rake you do get leafier hay into better windrows faster, and you can rake at speeds up to 7 miles per hour. The Right-Angle Reel on the No. 851 gives you a leaves-inside-stems-outside windrow with half the forward movement as with a conventional type of side-delivery rake. The curved, spring-steel teeth gently lift the hay into loose, airy windrows that will

cure evenly giving you higher quality hay... increased profits for you in feeding or at marketing time.

Rugged construction is another of the many outstanding features of the John Deere No. 851. With a No. 851 you will have years of trouble-free raking. There are many more advantages of owning a John Deere Side-Delivery Rake. Come in today and ask for details.

Room Coolers Are Popular

There has been a spectacular increase in the use of room coolers in the Chicago area in the last few years, according to records kept by Public Service Company.

The number of room coolers of the Commonwealth Edison Public Service system during 1955 alone approximated 57,000 to bring the total in service to 165,000. The increase for the year was 53 per cent.

Annual increases during the last five years have ranged upward of 30 per cent and the number of room coolers at the end of 1955 was five and a half times the 30,000 estimated to be in service in 1950.

The records cover the 11,000 square mile area in northern Illinois, including Chicago, served by Commonwealth Edison and Public Service Company.

"The three most popular sizes of room coolers are the one-half, three-quarter and one horsepower units," said M. D. Taylor, assistant district superintendent of Public Service Co. "A one-half horsepower air conditioner will cool the average

room of approximately 250 sq. horsepower unit will cool a room of 400 sq. feet, and a one horsepower unit will cool about 650 square feet.

"The one-half horsepower size of air conditioner can be handled on an ordinary 15-ampere circuit, unless there is a heavy load from other appliances. The three-quarter horsepower size also can operate on a 120-volt circuit.

"The electrical industry advises, however, that one horsepower units, and in some instances three-quarter horsepower units, should be on a separate 240-volt circuit. With adequate wiring, fuse blowing is avoided and there is no interference with operation of other appliances.

"Edison and Public Service Co. customers who require to accommodate a 240-volt appliance, including an air conditioner, are offered on a share-the-cost plan under which the utility pays for the service entrance portion of the wiring.

PUBLIC SERVICE COMPANY

Some of the most remarkable advances in the entire appliance field have been on electric ranges.

For example, new and improved surface cooking units were designed by America's great electric industry research centers. Better and faster ways of transforming electricity into quick heat for cooking have followed. Plus controls that offer a wide range of temperatures that you can depend on to give the same even heat, every time.

But modern electric ranges have more than well-controlled speed. They will keep your kitchen an average of 10 degrees cooler and far more comfortable. And electric broilers give you clean, radiant electric heat that sears the juices in meats. It's like broiling over charcoal, only faster and easier.

Today's electric ranges also keep your kitchen cleaner. (Something worth remembering if you plan to build, buy or remodel your

home.) You will see many more of the "new idea" features in the latest electric ranges. Ask your dealer to show them to you. And while you're there find out just how easy it is to have an automatic electric range in your home.

Big Saving—We Pay Part of Your Range Installation Cost!

Need new wiring to install your electric range? We share the cost with qualified home owners in 1, 2 and 3-family dwellings. This can cut your expense by about half.

And you get more than a money saving!

The modern wiring that goes with your installation helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

CLASS TRIP

Prior to the eighth grade graduation exercises of the New Lenox grade school held June 6, the class enjoyed the usual two day trip taken each year by the graduating class. On Friday, May 25 they left Haven school by bus at 6 a.m., arriving at New Salem Park where they had lunch. Going to Springfield, they visited the Capitol, Lincoln's home, Lincoln's tomb and on to Hannibal, Mo., where they spent the night at the Mark Twain hotel. Saturday morning, they went thru the Mark Twain cave

and home. Becky Thatcher's home and visited the Dickson mounds enroute home. They returned to New Lenox, at the Haven school at 9 p.m. Saturday nite.

Class Banquet

One hundred and forty six attended the annual class banquet held in the Lincoln Way high school, including the members of the class, parents, and their former teachers. The banquet was served by the Band parents of Lincoln Way high.

Larry Wennlund, president of the class gave the welcome, and his father, Don Wennlund led in group singing. Jonelle Roberson read the class history; Kathy Berlin, the prophecy; Leslie Ekedahl, the class will and Ann Sims, the roll call.

Teachers of the class, Michael

Kruck and Mrs. Leta Donaldson were presented a gift from the class, and the room mothers were given a gift certificate.

Mrs. O. V. Rowe had charge of the table decorations.

Joseph Novak, Sr., Oak street underwent surgery Friday afternoon in Silver Cross hospital.

The New Lenox Garden club met at the home of Mrs. George Close Thursday afternoon, June 7. Mrs. Walter Houchin and Mrs. Joseph Jencon were co-hostesses, and served dessert-coffee. Robert Whitley of Joliet was the guest speaker and gave an informative talk on landscaping the home grounds.

Miss Barbara Sayers and James Cooper of Mokena were honored at an after graduation party Tuesday night, June 5 following their graduation from Lincoln-Way high school, by her mother, Mrs. Edith Sayers, in their home on Elm street. Refreshments were served buffet style from a table centered with a decorated graduation cake.

Guests were Mrs. Josephine Sayers, Mr. and Mrs. Harold Sayers and sons, and Mr. and Mrs. Everett Cooper, Jean and Kathryn, of Mokena; Miss Cecilia Cooper of Orland Park; Mrs. Clinton King, Mr. and Mrs. Glenn Rouse and Mrs. Earl Hamilton and Phyllis of Plainfield; Mrs. Robert Allen of Joliet; Mrs. Paul Lindstrom of Chicago; Mr. and Mrs. Ray Lenz and son Ricky of Riverdale; and Mr. and Mrs. Howard Ayres and Miss Marilyn Sayers of New Lenox.

Mr. and Mrs. Eugene McGovney entertained in their home at 102 Fir street, Wednesday night honoring their daughter Mary Ellen, who was graduated from the 8th grade in Haven school, June 6. A graduation cake, in miniature graduate centered the white linen covered table. Bouquets of flowers also decorated the table and the home, as well as other pink and white decorations that were carried out in the class colors.

Guests attending the party were from Frankfort, Mokena, Joliet, Chebanse, Kankakee and New Lenox.

Mr. and Mrs. David Bruns moved into their home at 125 Haven avenue this past week. Mr. Bruns left a few weeks ago for Phoenix, Ariz., where he is attending a Commercial art school for three months. Mrs. Bruns finished packing and storing their furniture this week and is now at the home of her parents, Mr. and Mrs. James Blood in Joliet. She will leave this weekend for Phoenix, to join her husband.

Mr. and Mrs. E. C. Olsen of Shady Acres attended the horse show at Gardner, June 10 sponsored by the Town and Country Riding club and the Gardner Lions at which time, their two horses Ginger Play Girl, and Dore-A-Lee, ridden by Frances Polich and Clea Olsen took third place in the pair class having six entries. Ginger Play Girl took 2nd, ridden by Clea Olsen in the English Pleasure with 12 entries.

This was a large show and horses entered came from Bloomington, Champaign, Chicago, Streator and Danville.

The Misses Gailyn McCoy and

Blue Island Lions Invite Riding Clubs to Join in July 4 Parade

Entries are already invited for the Blue Island Lions club July 4 parade, as announced by Dr. Leslie O. Damm, Blue Island, general chairman of the celebration.

"We want entries from communities near Blue Island and want some horse riding participants," Dr. Damm said. "If more convenient, prospective entries may contact me direct or the parade chairman of the two parades, senior and junior."

He disclosed that a \$5,500 budget has been set up for this, the 10th annual celebration in the community.

Events include two parades, a Little League ball game, and an evening program of entertainment from fireworks at the high school stadium.

Besides the fireworks, on which \$2,000 is being expended, there will be a special pageant feature by the Horace Mann High School Band, of Gary, Ind. and competitive drills between leading Legion junior drum and bugle corps.

Carol Ruthenbeck left for Williams Bay, Wis., Sunday where they are spending this week at the GAA camp. Mr. and Mrs. Walter Ruthenbeck took the girls to camp Sunday.

Stephen Charles was the name given the infant son of Mr. and Mrs. Michael Orey, 211 Ogden road, at the christening service Sunday morning during services at the Grace Episcopal church. Father Michael Mooney officiated. Sponsors for the baby were, Mrs. Orey's sister, Miss Nancy Higbie of Hastings, Mich. and Herbert A. Willoughby of Springfield, Ohio. A christening dinner honoring the occasion followed in the Orey home.

Guests were her parents, Mr. and Mrs. C. C. Higbie and family of Hastings and Mr. and Mrs. A. Willoughby.

Miss Nancy Higbie is spending a few weeks with her sister, Mr. and Mrs. Michael Orey and family.

That's The Law

(As a public service the Illinois Bar Association has prepared a service of articles dealing with subjects that affect the majority or at least a large portion of persons.)

Did you realize that the State of Illinois makes a will for you if you fail to make one? In Illinois, persons of age 18 or older may dispose of their property as they see fit, by means of a properly attested will. However, many people never make a valid will, and for these the laws of Illinois provide a scheme of distribution of property at death. In effect the state makes a will for us if we do not make our own.

Seven Examples
A general understanding of this statutory plan can be acquired thru consideration of seven simple examples. Merely assume in each of the following cases that the deceased person died without leaving a valid will. One of the cases will probably present your situation.

First, Aaron Able dies leaving a wife and a child. Under Illinois law, Aaron's wife will receive one-third of his estate, and the remaining two-thirds will go to his child.

Second, Bill Baker is survived by his wife and two children. As in the case of Aaron's widow, the law provides that Bill's widow will take one-third of his estate; the remaining two-thirds will be divided equally between his two children. If John, one

Among musical organizations signed so far are Norwood Park Imperial Drum and Bugle Corps, Ardennes, and Kankakee.

Patrick T. Hallinan Post 3580, Veterans of Foreign Wars Drum and Bugle Corps, from Blue Island, will also be invited to march.

Mayor John M. Hart, of Blue Island, is co-chairman of the day's events and various Lions Club members serve on the arrangement committees. The free program is financed largely by the contributions obtained by the sale of souvenir buttons heralding the event.

Lawrence Hupe and E. J. Antton are co-chairman of the button sales. James Rignoli is senior parade chairman and Dr. R. Wendell Vance is junior parade chairman. George Carter is treasurer.

American flags flying from 256 standards on 126 of the city's utility poles on 2 1/2 miles of Western Avenue will furnish the backdrop for the parades this year.

of Bill's children, had predeceased Bill, leaving surviving three children of his own, John's one-third share will be divided equally between them.

Third, Charlie Clark, whose wife is dead, is survived by his four children. The law directs be divided equally among his children.

Fourth, Don Davis is survived by his wife. They had no children. The law is generous to Don's widow, but she does not receive all of Don's estate. She takes everything except one-half of Don's real estate, which will be divided in equal shares among his parents, brothers and sisters. If any of Don's brothers and sisters are dead, their children will divide their parents' share. If only one of his parents survives him, that parent will take two shares.

Fifth, Ed Easy is survived by his wife. They had no children. Ed has no surviving parents, brothers, sisters, or children of deceased brothers or sisters. In this case Illinois law directs that Ed's widow will take all his property, and distant relatives receive nothing at all.

Sixth, Fred Fox dies leaving no wife, children or grandchildren. Under Illinois law, Fred's entire estate will be divided in equal shares among his parents, brothers and sisters. If any of his brothers or sisters are dead, their children will divide their parents' share.

Seventh, George Gale dies leaving no wife, children or grandchildren, parents, brothers, sisters or children of any brothers or sisters surviving him. The law provides that George's estate will be shared by his nearest kindred. So, if one of George's grandparents is alive, he will take the estate to the exclusion of George's uncles or cousins. If George is survived by one uncle, and several children of another deceased uncle, the surviving uncle will receive George's entire estate because he is the nearest kindred to George. In this way the laws of descent and distribution may reach out to distant relatives to provide for the distribution of George's property. If no kindred of George are found his property goes to the county.

Will Needed to Change
Except for statutory provisions which give to a surviving spouse certain interests in the real estate that his deceased spouse owned during their marriage, the foregoing is in general an accurate summary of Illinois law regarding disposition of property in case the deceased person leaves no statement of his desires in a valid will. And so, if you have no will, you have just read how the State of Illinois will distribute your property for you. If this disposition is not in accord with your wishes you must make a will to prevent it.

Calls New Farm Bill "Fairly Satisfactory"

The new farm bill signed by President Eisenhower was described today by Otto Steffey, president of the Illinois Agricultural Association, as "fairly satisfactory - much improved over the earlier bill which was vetoed."

The principal provision of the new law, Steffey said, is the soil bank plan which has been supported by the IAA because it attacks the basic problem of excess farm production. The terms of the bill make it applicable to 1956 crops, Steffey said, but delay by Congress in passing the bill make it too late to be of much effect this year. The bill would permit crops to be plowed under or clipped in order to comply with the soil bank plan in 1956, but it is doubtful that much of this be done.

Under the acreage reserve program, farmers reducing their plantings of basic crops - corn, cotton, wheat, peanuts, rice and tobacco - will be paid for taking these acres out of production, he said.

"If the payment rates are made attractive enough, farmers will participate in this program and

bring production of these crops in line with demand," the Farm Bureau leader stated. "The surpluses of some farm commodities have brought about serious declines in farm prices. If farmers are encouraged to participate in this program and bring production of these crops in line with demand," the Farm Bureau leader stated. "The surpluses of some farm commodities have brought about serious declines in farm prices. If farmers are encouraged to participate, they will be storing fertility in the soil rather than storing crops in government bins."

"This will afford a huge saving to the government and will protect consumers in the future, for farmers will then have the ability to meet the increased needs for food," Steffey said.

Under the conservation reserve program of the soil bank, farmers taken crop land out of production and plant it to a conserving crop for a three-year period, he explained. No crop may be harvested from this land and farmers will be paid a certain rate per acre per year. Payment will be either in cash or in commodities.

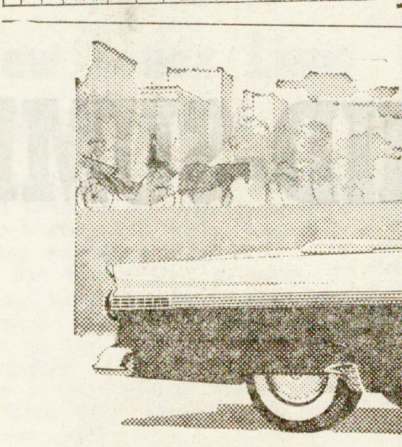

The section of the bill providing for a national corn base of 51 million acres for the acreage reserve program is of special significance to Illinois farmers, Steffey declared.

In recent years, feed grains grown in other sections of the county were replacing corn as feed, causing surpluses of corn, he said. This caused corn acreage allotments to be reduced, squeezing Illinois farmers to the point where they could not abide by their allotments.

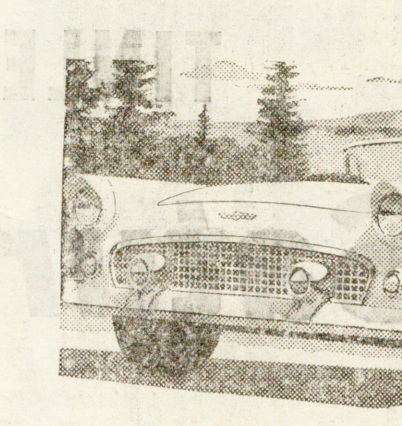

Under the new law, reductions of corn acreage under the acreage reserve program will start from this 51 million acre base and not from the 43 million acreage allotment announced earlier this year by the USDA, he said. The bill is not clear regarding conditions for staying within corn acreage allotments and receiving the \$1.50 per bushel support price, according to the IAA president. Announcement of the regulations will have to be made by Secretary of Agriculture Ezra T. Benson.

However, he added, the bill specifically permits the \$1.25 per bushel support price for corn producers who do not comply with the 1956 allotments. Steffey praised the removal from the bill of the provision which would have permitted the sale of government wheat for feed.

"This threat of cheap feed could result in increased production of poultry, livestock and dairy products, further depressing these prices," he stated.

Highlights Of Farm Life

William F. Whiteside
Cook County Ass't Farm Adviser

Flower growers, greenhouse operators and ornamental shrub growers in this area will have a local floriculture specialist to help with their production problems, provided they, as a group will contribute to the local support of this man. The Agricultural Extension Service was originally established on this basis in 1914. The University of Illinois will contribute a share of the expense. Since over half of

the agricultural income in Cook county comes from these horticultural specialists. Flower and ornamental growers will be contacted through their professional organizations. Anyone wishing further details may contact me.

During a week-end golf game I had occasion to go looking for a golf ball, which accidentally went over the fence into an alfalfa field (such things do happen). This alfalfa field had a very heavy spittlebug infestation. It is rather late for chemical control of this pest, as two weeks should elapse before harvest to allow residue to disappear. Immediate cutting and an increase in drying time will kill

many of the bugs, as they do not thrive on anything but tender, juicy legumes. If the hay is not allowed to dry, it will probably mold due to excess moisture from the frothy mass surrounding the bug. Pea aphids, a very small greenish bug, with or without wings, are still numerous in alfalfa fields. It is too late to treat first cuttings, however, watch second alfalfa growth and new seedlings closely. If leaf curling or wilting becomes apparent, treat with malathion at one percent per acre, or parathion at one-quarter pound per acre. Allow two weeks to elapse before treatment and harvest. Only experienced applicators should apply parathion.

I understand the weather bureau will issue their 5-day forecast three times a week during the summer instead of twice a week. This will benefit farmers planning to cut hay or plan other jobs. When your field of new mown hay gets drenched with a cloud burst, you won't have to wait so long to find out why. Seriously, I believe this is a distinct service to agriculture and I tip my hat to the originator of the idea.

I bought some locally grown asparagus at a roadside stand last week. As the season progresses more and more fruit and vegetables will appear on these stands. This is an opportunity for everyone to obtain delicious nutritious vegetables for their dinner table. Drive out into the country and stop at one of the many roadside vegetable stands. You will be able to obtain high quality vegetables at reasonable prices.

Over the week-end I received many inquiries concerning the Soil Bank program. The paper work and administrative machinery have not been completed in the State and County ASC offices, so definite information is not available. Possibly the paper work concerning the program may not be set up in time for corn growers to get any of the Soil Bank money this year. Larry Simel, University of Illinois Economist, says there are two general provisions: "(1) the farmer must comply with acreage allotments previously set on his farm (2) in addition he will contract with the government to refrain from harvesting or grazing the crops on an additional acreage of land equal to allotment. The government about 15-18 percent of his corn would pay 30 to 50 dollars for each acre not harvested." I will report any additional information as soon as I receive it.

The U. S. Senate recently voted \$10 million more for the Special School Milk Program in 1955-56 and \$75 million annually for the program in 1956-57 and 1957-58. With enough funds in prospect, Illinois should

Gets Out Warrants in Probe of State Ready to Aid Handicapped Get Education

State's Attorney John Gutknecht continued his large scale probe of health and safety conditions in nursing, convalescent and homes for the aged by filing charges in the Cook county court against the homes listed below for operating without state licenses.

Judge Ross E. Millet of Sycamore, sitting in county court, issued warrants returnable June 11, at the request of State's Attorney Gutknecht, against the following: 4548 Deyo Av., Brookfield, operated by Mamie Hill; Maple Farm Convalescent home, 14500 Lawn Av., Midlothian, operated by Edna Wilson; Burr Oaks Home, 2426 Burr Oak Av., Blue Island; West Suburban nursing home, 300 S. LaGrange Rd., LaGrange, operated by Nettie Schacht; Chateau Rest

Home, Northfield township, operated by Hulda Olson and the Catherine Memorial home in Palatine, operated by Beth Bucher. The nursery is operated by Frances Pope at 2418 Roblincrest Lane, Glenview.

These charges were a follow-up to the charges brought in Chicago last week where nine homes were charged with violations of City health and fire codes.

State's Attorney John Gutknecht credits the cooperation of inspecting agencies with his office for the filing of today's charges. The homes charged were checked by two teams of inspectors headed by Assistant State's Attorneys James Platt and Charles Russ including Cook county health department officials.

State Ready to Aid Handicapped Get Education

Blind, deaf and crippled preschool age children of Illinois and their parents will be guests of the state at three unusual institutes in June, dates for which were announced today by Dr. Otto L. Bettag, director of the Illinois department of public welfare.

"The purpose of the institutes is to reach severely handicapped children and their parents at the earliest practicable point in the child's life, in order to help both children and parents face their unusual problems with faith, hope and courage," Dr. Bettag said. "We now know that even severely handicapped children can be educated and trained to lead full and useful lives, and the sooner a start is made the better are the chances for success."

The institutes will be held at the Illinois School for the Deaf at Jacksonville from June 5 to 15; at the Illinois Braille and Sight Saving school, also at Jacksonville, from June 8 to 13; and the Illinois Children's hospital-school at 2551 N. Clark St., Chicago, from June 15 to 20.

Through enrollment for the three institutes is nearly complete, provision can still be made for a few additional children and accompanying parents, Dr. Bettag said. Application may be made by writing to the Illinois Department of Public Welfare, State Office Building, Springfield, or communicating with any of the department's six regional offices, located in Chicago, Rockford, Peoria, Springfield, Champaign or Carbondale.

Room, board and tuition at each of the three institutes are free for both children and parents, leaving the cost of travel to and from Jacksonville or Chicago as the major expense for the families, Bettag announced. Children between the ages of two and five and their parents are eligible for attendance at the two Jacksonville institutes, while children from two to seven and their parents are welcome at the Chicago institute. Parents of handicapped children under two may attend without their children, and special arrangements may be made for week-end attendance by parents unable to stay the whole period.

Children will spend part of their time at the institutes in the company of their parents, while other hours will be spent in taking physical examinations and tests and participating in play group activities with other children of the same age and

with similar handicaps, according to the institute programs. While the children are busy elsewhere, parents will attend lectures by outstanding specialists and join in group discussions to help them to a better understanding of the handicapped child and his problem.

Cooperating with the three schools directly involved, all of which are operated by the Illinois department of public welfare, are the department's division of child welfare, the division of service to crippled children of the University of Illinois, the division of the state office of public instruction devoted to the education of exceptional children, the Jacksonville board of education and the Chicago board of education. Lectures on physiology, neurology, pediatrics, child psychology, special educational techniques developed for the teaching of handicapped children and a wide range of related subjects will be drawn from a number

of state departments and from an impressive list of Illinois college and university faculties.

make a continuing effort to bring more of her schools into the program. On December 5, 1955, about 4,000 out of 5,000 schools in California were taking part, and about 3,600 out of 5,100 school in Michigan. Illinois—with 3,300 out of 5,400 schools—has a good record, but it could be better.

Cutworms are a common problem in the home garden, especially on tomatoes and cabbage, and particularly in areas that were in weeds or grass before the garden was planted. To prevent wholesale destruction, put tin can collars or paper wrappings around the stems of the plants at transplanting time. A 5 per cent DDT or 5 per cent chlordane dust applied to the ground around the newly transplanted plants is also effective. You can use sprays of the same chemicals by mixing 1 pound of actual insecticide in 100 gallons of water.

The fly season is just around the corner, and now is a good time to take the first step in any fly control program—sanitation. Clean up fly-breeding areas at this time to prevent a large population from developing later. Build-up in fly population will also be slower if the premises are kept clean. Clean out calf and bull pens and other areas where you find decaying organic material.

Small holes in the leaves of your bean plants may indicate presence of the bean leaf beetle. If present in quantity, they may defoliate the plants. DDT will effectively control this pest.

Can Make Loans For Farm Homes

Funds for farm housing loans on dwellings and other farm service structures in Illinois have been made available, according to a statement by George H. Reuss, state director of the Farmers Home Administration, Champaign, Ill.

Loans are available to erect, remodel and repair farm dwellings, essential farm service buildings and related structures to farm owners who do not have sufficient resources to provide such housing and who are unable through other satisfactory credit sources to provide such housing.

Applicants must be citizens of the United States, of legal age and possess a farm in agricultural production of such size that it will be recognized as a farm unit and not a rural residence.

These loans will bear interest at the rate of four percent (4%) and will be made for the short-term period within which the borrower can reasonably be expected to repay them, but not to exceed 33 years. The loans will be secured by the farm on which the improvement is made.

Applications and further information on Farm Housing loans may be secured at the local office of the Farmers Home Administration, Robert C. Becker, county supervisor for that agency said here today. Mr. Becker's office is located at 110 1/2 E. Jackson Street, Woodstock, Ill.
